

Parking at the Hilton

Thanks to the continued generosity of player Rusty Krauss and his firm Janney Montgomery Scott LLC, we have teamed with the Hilton to provide FREE parking in the hotel garage as follows:

Commuters - keep your parking ticket with you. Volunteers will be at the Information and/or Covid tables 30 minutes prior to the second session to put a sticker on your parking ticket. Per the Hilton, you will scan the front (showing the fee) and then the back of the ticket to exit at no cost to you.

Hotel Guests - hotel parking is automatically free for the first guest in each room. If a second guest arrives with a car, \$10 per night will be billed to the tournament.

NOTE that there are no free "in and out" privileges. If you choose to leave the garage during the day, you will have to pay yourself.

If you have any questions, please contact the Tournament Chair.
